### The Director's Corner

I would like to take this opportunity to thank the Chamber Board, Chamber staff, event coordinators, committee members, and the many volunteers who have made 2015 another very successful year for the Stoughton Chamber. Although I have only been in my position for a very short period of time, everyone I have met through the Chamber is committed to the growth and success of Stoughton's businesses, organizations and schools.

The strength of the Stoughton Chamber lies with its members – through your support and involvement. This strength continues to enable us to accomplish many things, including business networking and hosting popular community events.

Our main focuses for 2016 include the following:

- Grow the Stoughton Chamber. More members mean more business opportunities for all of us and more visibility in the community, as well as the communities that surround us.
- Work with organizations and businesses to provide added value to our members.
- Provide more networking and educational opportunities for our members.
- Review all events and identify challenges or opportunities.

Thanks again and I look forward to a successful 2016!

Marilyn Housner  
Chamber Director
